Note for History of Organization:

Special Orders Number 72

this organization dated 1 Sept 45 Transferred all the Officers with ASR above 75 and Enlisted Men with ASR 60 and above to the 654 TD Bn a Category 4 Unit for shipment to the United States.

It is know that the 2nd TD Gp will continue with it's identity and becomes part of the regular army. It is also the only TD Group whose members can wear the TD patch on their right sholder according to a directive put out by the 70th Division.
