'Tigers' Bow To Tank Bn. In Fast Game

Page Six

The 758th Tank Battalion proved itself of championship calibre in grand style Friday night as it met the challenge of the 827th Tank Destroyer Battalon by administering a 37 to 17 defeat to the "Tigers."

The game, well attended by adherents of both teams, demonstrated the superiority of the "Tankers" from the start. The deceptiveness of Baugh, the eagle eye of Jackson, the swiftness of Housley, all combined to shatter the T.D.'s defense and render their offense abortive.

"Tankers" Planned Game The 758th Basketeers informed

your reporter that they had watched the Tank Destroyers play and knew that their offense was built around "basket - making Rooker." The Tankers guards then decided to smother Rooker and by so doing to stymie the 827th's drive. That Rooker was stopped cold may be seen in the fact that he only made two baskets throughout the entire game.

Speed, however, was the main factor in the "Tankers" victory. They literally dazzled their opponents with the rapidity of their operations.

It is expected that other meetings will be held between the teams when the 827th will have become better used to the floor and better acquainted with the Tanker tactics. The line-ups:

758 Tankers	827 T.D.s
Jackson15	Haines 7
	Rooker 4
Cornelius 6	Jackson 3
Dixie 5	Earley2
	Pryor 1

Tucson Tonight

Three Fort basketball teams will sally forth to Tucson tonight to try their hardwood luck against teams resident in or near that city.

The WAC baskeeters will play against the USO Junior Hostesses, who have beaten them only once in four previous games. The SCU All-Stars will meet a team composed of Tucson Recreation League All-Stars and the 335th Station Hospital team will try to wrest honors from the Marana Flying Field team, one of the best basketball aggregations in the state.

Instead of slowing up as the end of the basketball season approaches, bids for games with outside basket-ball teams are flooding the athletic office.

This may be regarded as a tribute

First baseball practice stirs reminiscences of last year's jubilant sea-son in which SCU's team romped through 18 victories before getting beat; but, best of all, had lovely Lena Horne to spend a whole after-

noon with them while they trekked to Mexico and won a tough-un from the Nogales Internationals, of semi-pro fame. -U. S. Signal Corps Photo.

Tail-end of winter finds sports tides at low ebb, with basketball in-terest fading and baseball interest just beginning to intensify.

Huachucans Invade Baseball practices are irregular due to the weather's fitfulness, but the SCU squad is enthusiastic and optimistic over its prospects for a victorious season.

Last year, it will be recalled, the team won 18 straight games before slipping into the loser's column and it only lost the crucial game for Post championship by a score of 7 to 6 against a team of 92nd Division All-Stars.

You'll be interested in knowing that Clarence Adams, a lad from Father Flanigan's Boy's Town, won the Mid-West Boxing Championship in the 147-lb. class and is journey-ing to Chicago to fight for National honors in the Golden Gloves Championship.

The lad may soon be a soldier and a Huachucan, so we might as well get acquainted with him, previous-ly, so to speak. We wish him luck in his bouts for national laurels and hope to hear from him personally about his success. about his success

will see a Post League bowling champion team emerge from the melees of past March Monoff, first and second places in must also be claimed by opponents, and the battle to keep from being tailenders must also be fought out by matched teams.

Officers vs. WACs and Nurses Highlight of the evening will be the battle between the WACs and

Nurses and the Medical Officers for the first place in the Nationals. Separated by but the margin of one game, they meet each other on al-leys 3 and 4 to decide the victor. The women's team, with only a 12-pin handicap, will be hard put to it to best the officers' skill.

A unique twist was given to basketball conflicts last Monday This coming Monday night afternoon when teams composed of officers and teams made up of enlisted men from the 335th Station Hospital and the 29th Special Service Company met to decide which outfit had the best all-around basketball "stuff."

days. A peculiarity of the That the contest failed to prove either outfit's superiority show to be presented on the doesn't matter so much. What really matters is that it stirred 27th is that of the teams paired up the most vociferous enthusiasm ever engendered at the Field

tets competing against each other; third and fourth places must also be claimed by owned at 7:00 o'clock when the hand at 7:00 o'clock when the championship tourney begins.

Americans Move On Standings in the Wednesday night league changed considerably due to last week's games as Post Head-quarters took two games from Spare Parts, and dropped one because of Sgt. Gantt's fine 191 on the Part's score; and 827th T.D.s won two and lost one to the Civilian Women.

In the battle's heat, the honor group for high averages changed-Warren of Post Headquarters dropped out and Gantt and Franklin of Spare Parts moved in. Otherwise, the group remained the same: Turn-er, Owens, and McCaine of Post

*House, with rooters from both

Final Results Tie

The scores at the end of the games indicated that the 335th enlisted men took the 29th Service boys into camp by a 28 to 16 count; but that the 29th officers "cut the 335th officers a duster" by a final tally of 30 to 17.

The officers game was enlivened by a personal altercation (all in the spirit spirit of sport) between Major Strickland of the hospital five and Lt. Boone of the Special Service quintet.

Owen's 521 was good enough to take high honors for three-game score, with Post Hq. team winning single and three-game series with a 794 and a 2318. Bowling Sweepstakes Planned With the end of the league bowl- ing championships in sight, the athletic office is initiating plans for a gala sweepstakes meet which would give individual bowlers and fresh combinations a chance to win prizes at their favorite sport. De- tails of this meet will be announced before the smoke of the league bat- tles dies away. Watch the Sentinel for news of it.
