HEADQUARTERS
TANK DESTROYER
BASIC UNIT TRAINING CENTER

North Camp Hood, Texas,
24 May 1943.

SUBJECT: Commendation.

TO: Commanding Officer, 17th Tank Destroyer Group, North Camp Hood, Texas.

1. I wish to commend you and the men of the 17th Tank Destroyer Group for the commendable state of police of the area vacated by your organization at Camp Bowie, Texas, on May 15, 1943.

2. The Tank Destroyer Basic Unit Training Center inspector, who was accompanied by a representative of the Camp Bowie staff when he made his inspection, reports all installations within the block assigned your group to have been left in a most excellent state of police. Such a report is indicative of a commander's sense of responsibility and leadership. It reflects favorably on the Tank Destroyer Basic Unit Training Center as well as on the organization you command.
