Ceal.

The 3rd platoon this company departed
 via Elstretrebutz 0700 this date. Joined the
 3rd Bn of 272 Inf Regt via Thussen ⁰⁶⁰⁸⁵⁵ at 0800.
 Immediately jumped off and attacked an 88mm
 A.A. gun position via Unterschwoditz (T 075 849).
 The platoon supported the tanks and infantry
 with overhead fire while they ~~advanced~~
 advanced. They fired on gun positions, buildings
 and ammo dumps. This block station
 contained twenty odd 88mm guns. at the
 last count a little over three hundred prisoners
 were taken and more were still coming
 in. The action was similar to the one Peaves
 had last night. Mac Farland and the infantry
 Ceal were surprised during the final stages of
 the attack when five Jerry's fired on their jeep
 Mac Farland opened up with the 30 cal M.G. on the
 jeep killed four and the fifth with his pistol.
 The platoon returned to the company @ P.

at 1230 hrs. at present time they are refueling
 and drawing more ammo from Stone. He is
 here now. The Company is refueled and full
 pep on ammo right now and ready to go
 again. I think Peaves and McFarland both
 did a hell of a good job in getting rid of
 those two flash stations. The three infantry
 Bn C.O.'s have all told me they are well
 pleased with our work and co-operation.
 Too bad old man Buil couldn't loosen up
 a little. I think I have Greene where I
 want him now too. How are things with
 you? I haven't seen you for a week.
