THROUGH our admiration and respect for the 104 Timberwolf Division, we place these insignias side by side an' interlocked as they were on the battlefields of Holland and Germany.

Prepared by 1ST LT. FRANCIS L. YOST

OCCUPATION OF GERMANY—AUSTRIA

Performed occupational duties in an area of approximately three hundred square miles in Southern Bavaria and Austria—apprehended many Gestapo Agents and SS personnel—recovered a large portion of the Herman Goering loot on the Herrenchiemsee Island.

NEW ROUTE MARKERS

If in the future you desire to tour France and Southern Germany, let "Chico" signs guide your travels. You may be assured adequate accommodations at any one of the innumerable spots designated "Reserved For Chico". Above all visit the King Ludwig II Palace on Herron Island in the Chiem Sea, Bavaria.
