SUBJECT: Commendation

TO : Commanding Officer, 672nd Amphibian Tractor
Battalion
(Thru: Commanding General, Sixth Army)

1. During the recent campaign of the 37th Infantry Division on Luzon, Philippine Islands, the 672nd Amphibious Tractor Battalion distinguished itself by its outstanding performance in battle operations with the 37th Division. The battalion cooperated splendidly with the divisional elements to which its units were attached and contributed significantly to the success of our operations by the important support it rendered. It is undoubtedly true that the speed of the division's drive on Manila would have been impossible without the timely and vital assistance given by elements of the 672nd Amphibious Tractor Battalion in ferrying our forces across streams where bridges had been destroyed.

2. It gives me great pleasure to commend the 672nd Amphibious Tractor Battalion for the outstandingly fine service it performed and for the professional skill, courage, devotion to duty and superb battle competence of its officers and men.
