

EARL G. PEACOCK
VICE PRESIDENT

Retired

7/21/90

Dear Erwin Verhoken,

Thanks for your letter of
27 June 1990 and your interest
of the 811th Tank Destroyer Battalion.

I was the Battalion Executive
officer (E2) at the time of the
Battalion the Bulge so am not
up on all the activities of the
different companies as I was
in Wallkill, New York with
"B" Company and was wounded
on the 18th Dec.

Answers I am sending your
letter on to Capt. David Collins
the Company Commander of "C" Co.

Sincerely

Earl G. Peacock
