for the

ARMY COMMENDATION RIBBON

TECHNICAL SERGEANT DARRELL E. WILLIAMS, 39910864, CORPS OF ENGINEERS

is hereby authorized to wear the Army

Commendation Ribbon by direction of

the Secretary of War

CITATION

Technical Sergeant Williams was operations sergeant in the office of the Corps Engineer, XXIII Corps, from 8 May 1945 to 10 February 1946. Sergeant Williams gave outstanding service in the performance of his multitudinous duties throughout a trying time of rapid redeployment of many units. He was specifically charged with the compilation of all corps engineer situation reports, construction reports and monthly reports of operations as well as keeping abreast of the many changes in locations and missions of all corps engineer units. His work is deservant of the highest praise.

E. P. PARKER, JR.,
Major General, U. S. Army,
Commanding.
