

HEADQUARTERS XII CORPS

OFFICE OF THE COMMANDING GENERAL

Award of the Bronze Star Medal Citation

A Bronze Star Medal is awarded to JAMES M. HULL, 38400625, Sgt, FA, 803d Tank Destroyer Battalion, who while serving with the Army of the United States distinguished himself by heroism on 16 Mar 45 in Werden, Germany. During combat one of his members of the crew got separated from the rest and so, Sgt. Hull volunteered to go out and search for the missing comrade. Picking his way through a wooded area infested with anti-personnel mines and booby traps and under heavy enemy fire, he eventually located his fallen comrade in the dense undergrowth. His action, taken at great risk of life, was an inspiration to his fellow soldiers and a credit to the military service of the United States.
